

## SUPERANNUATION DETAILS

You must have left Australia and your **visa has expired** to claim your superannuation refund. We can assist with cancelling your visa if it has not expired.

Please allow 2 months for money to be refunded after your visa has expired.

Please send us clear upload clear scanned copies of the following documents to put website using the **upload documents tab** in the tool bar or email to [documents@taxrefund4travellers.com.au](mailto:documents@taxrefund4travellers.com.au). Please ensure you send all documents at the same time

### **Please provide the following:**

Clear Scan of Passport Photo page

Arrival and departure dates

Any superannuation fund statements, member card or membership numbers / internet login passwords.

The names of your funds if you know them. You can often find these on your pay slips

A signed completed copy of the Power of Attorney / Declaration of representative form. (clear A4 scan)

Your overseas home address and contact number

The overseas address you would like the refund cheque posting to **OR** your Australian bank account details for deposit (account must be in your name).
